ROADFREIGHT / COURIER SHIPMENTS

We don't recommend using courier companies to send international shipments to the event, due to the possibility of delays and issues with US customs clearance. In the event you do elect to you use your own courier company to ship to the event, we would recommend you arrange to send the shipment to the Freeman Advance Warehouse Location.

DOCUMENTATION REQUIRED FOR CUSTOMS CLEARANCE

A Commercial Invoice / Packing List must be raised for any shipment originating from outside the USA, for customs clearance purposes.

Invoices should be addressed as follows:

EXHIBITION FREIGHTING GSM LTD
MWC24 LAS VEGAS
C/O **EXHIBITOR NAME**
3150 PARADISE RD
LAS VEGAS, NV 89109, USA
BOOTH NO.....

The commercial invoice should clearly indicate which items will return to origin (temporary import) and items for giveaway/distribution (permanent import).

The invoice/packing list must also include the following information:

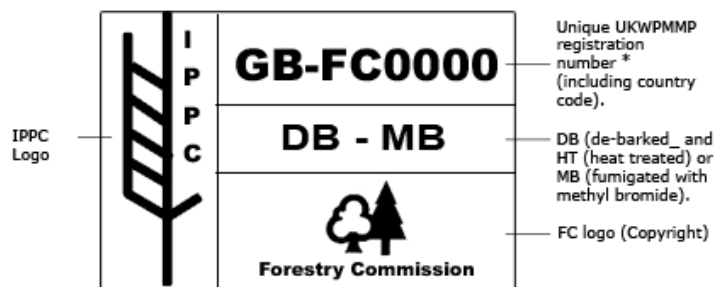

- Description of each item
- Serial number of each item (if applicable)
- Model number of each item (if applicable)
- Harmonised tariff code for each item
- Values for each item
- Country of manufacture
- Any textile material should include fabric content and confirmation of whether knit of woven or died or printed

TEXTILES

When shipping textiles or apparel of any kind, it is very important that detailed descriptions of the merchandise be provided for each item, e.g. long sleeve T-shirts, 100% cotton, white with blue stripes, size: large, quantity 8. Indicate if textiles are woven or knitted. It is important to state the Country of Origin and the merchandise must be labeled as such. Please explain if the textile is died or printed and please be sure to describe how each material is being shipped, e.g. roll or swatch. Please indicate the dimensions of each piece.

WOODEN PACKING MATERIAL REQUIREMENTS

Any wooden packing material must be ISPM compliant for importation into the USA and must bear the following IPPC marking.

* the leading zero is optional if printing space is limited

Any wooden packing material arriving without this marking is liable for either immediate re-export to origin or destruction, both at the cost of the shipper.

MATERIAL HANDLING CONTRACTOR / ADVANCE WAREHOUSE / DIRECT DELIVERIES TO VENUE

Freeman are appointed as the official material handling / drayage contractor for this event. Freeman will be offering an advance receiving warehouse for for the event and will be responsible for freight handling on-site at the Las Vegas Convention Center and will charge for this service. Exhibitors will be responsible for settling material handling / drayage charges directly with Freeman and all such charges are excluded from our tariff.

OTHER INFORMATION

Insurance

We strongly recommend that all exhibitors arrange insurance coverage to include transit to and from the exhibition, whilst on display and in storage. Please note that EF-GSM Limited do not insure automatically unless asked to do so in writing. Please note that it is the exhibitors' responsibility to ensure that if goods are left on the stand, adequate security measures are taken to ensure the security of such items. EF-GSM Limited is not liable for any losses, theft or pilferage.

Late arrival surcharges

Any shipments arriving after our deadlines will be subject to a late arrival surcharge of an additional 30% of our official tariff.

Basic Conditions of Contract

All work undertaken is subject to the BIFA (British International Freight Association) terms and conditions (2021 Edition).

Our invoices will be due immediately after issue without any further notice. New customers or those with whom we have not agreed terms of payment will be asked to pay charges prior to the start of the event, on-site during the event or before return shipping of their exhibits. All charges levied will be in accordance with the official exhibition tariff.
