6) Data Privacy

The lead gathering devices ("Devices") you have rented for this event allow you to collect business card information stored in a contactless smart card, called BCARD, issued to each registrant. The ITN lead gathering device you are provided with has a short range contactless smart card reader and software with a secured encrypted key that unlocks the content on the attendee's BCARD. ITN's devices are the only ones that can read the content of a BCARD, and you can only read a BCARD if you bring the reader or the card within 2 cm of each other. In essence, there is a voluntary exchange of information between a registrant and an exhibitor using ITN devices amounting to a traditional exchange of business cards. You are hereby informed that when collecting information and personal data ("Personal Data") through these Devices, you will become data processors, as defined by the UK Data Protection Act 1998 and the Spanish Protection of Personal Data Act 1999 and applicable US Data Privacy laws, including US-EU Privacy Shield Framework, as amended. Accordingly, you shall:

- a) Inform all visitors whose Personal Data is collected that such collection is taking place.
- b) Take all appropriate technical and organizational measures against unauthorized or unlawful processing of such Personal Data and against accidental loss of, or damage to, the Personal Data.
- c) Make proper use of the Personal Data and not distribute any part of the Personal Data to anyone without the prior written consent of the visitors whose Personal Data has been collected.
- d) More generally, you shall abide by all the rules and regulations in force in collecting, storing and processing Personal Data.
- e) You agree it is your sole responsibility to provide Event attendees with any and all fair processing information that may be required under all applicable data privacy laws and, if applicable, any notice that the attendee's personal data may be transferred to another country
- f) For the avoidance of any doubt, neither ITN nor the event Organizer or its affiliates, nor any other party, shall be liable for any breach of any laws, rules, or regulations (including but not limited to the UK Data Protection Act 1998 and/or the Spanish Protection of Personal Data Act 1999 and/or applicable U.S. data privacy laws) applicable to the collection or handling of the Personal Data. You agree to defend, indemnify and hold harmless ITN, the Event Organizer and its affiliates, and their directors, officers, employees, agents and contractors, against any claim for such a breach.

Your order and use of ITN International products, services and equipment implies that you have read, understood and agreed to the Terms and Conditions stated herein.
