Detailed information on the steps that need to be completed can be found on the next pages.

1 – Create an Account and Personal Details

1. Fill in all fields marked *, these are mandatory.
2. Use a valid email address to ensure you receive important information regarding your Badge and Venue access.
3. You still have the option to connect your LinkedIn account.
4. You can add a second e-mail address later on if you wish someone else to receive a copy of your communications. * This does not include any password reset details or visa.
5. Enrol in BREEZ and enjoy contactless entry at all access points. No need to show ID or scan your badge.
6. Upload a photograph for networking.
7. Read and accept the terms and conditions at the foot of the page to continue.

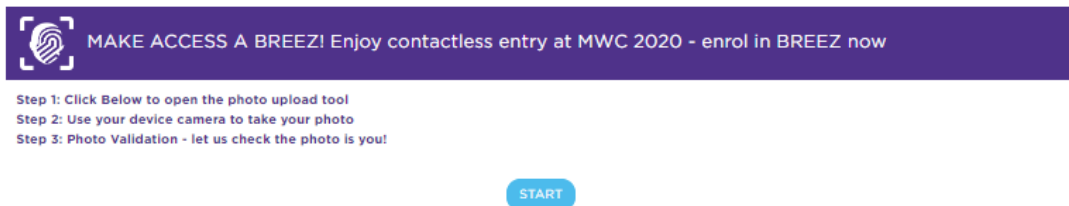

The screenshot shows the registration process for MWC Barcelona. At the top, a progress bar indicates four steps: 1. Account Creation, 2. ID Collection, 3. MWC Add-ons and Experiences, and 4. Review & Submit. Below this, a shopping cart icon shows a total of €1,268.90. The main section is titled 'Sign in with LinkedIn' and 'Sign in with Mobile'. Below this is the 'Personal Information' section, which includes fields for 'Attendee Primary Email', 'Confirm Primary Email', 'Password', 'Confirm Password', and 'Security Text'. The 'Password' field has a list of requirements: 8 characters minimum, one lowercase character, one uppercase character, one number, one special character (e.g., !@#\$%^&*~`~!@#\$%^&*~`), and must not contain sequences of 3 or more repeated characters. There is also an 'Additional Email Address' field. A blue 'Add Photo' button is visible next to the email fields. At the bottom, there is a pink banner that reads 'ENJOY CONTACTLESS ENTRY AT MWC 2020, ENROL IN THE BREEZ PROGRAMME NOW'. Below the banner, a small text block states: 'Attendees who are enrolled into BREEZ (Biometric Recognition Easy Entry Zone) will not need to show ID or have their badge scanned at access.' A blue 'Add Photo' button is also present at the bottom.

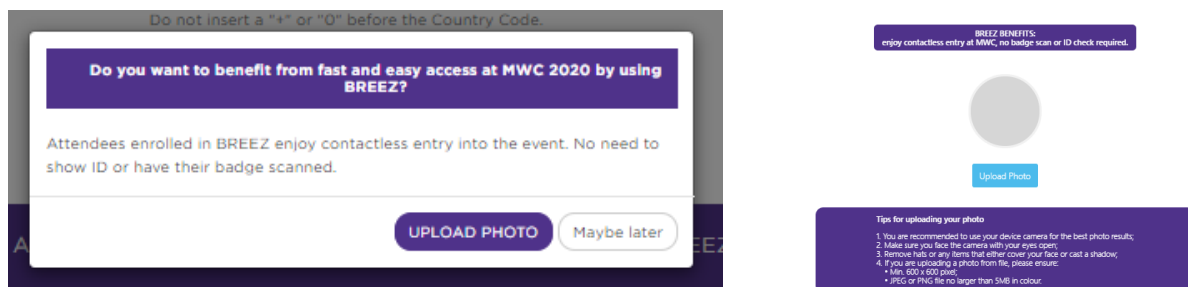

BREEZ Enrolment

On the “Account Creation” Step, you will be able to join BREEZ (Biometric Recognition Easy Entry Zone). Attendees who have enrolled into the BREEZ programme will enjoy contactless entry into the event without having the show ID or have their badge scanned.

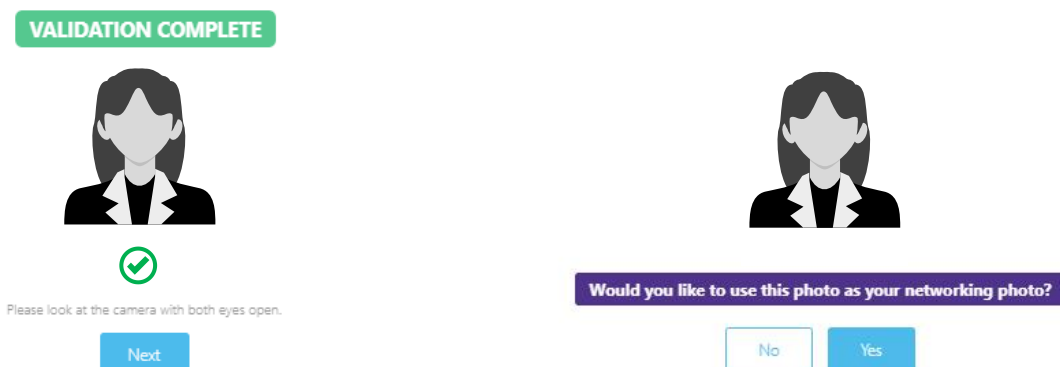

1- Click “Add Photo”

2- Click “Join” and Upload a photo, you can do it either from your laptop or portable device camera or by uploading an existing file.

3- Look at the camera as the system validates your photo, once the photo has been validated, you will be able to use this photo as your networking photo or upload a new one.

2 – ID Collection

1. Submit your ID. Passport or EU National ID card **ONLY**. This is a mandatory step, so make sure you have your document ready.
2. If you opted for GSMA to retain your ID in 2019, the information below will already be pre-populated. If you have not opted in yet, you will have the option to do so on this step, which will make registration easier and unlock future event benefits.
3. You will need to bring the same ID to collect your badge. Photos / photocopies / driving licences or other forms of ID are not accepted.

ID Collection

Please provide your current Passport or EU National ID card information and ensure it has been entered correctly before pressing "Submit". For information on why we collect this data, [click here](#).

4– Review & Submit

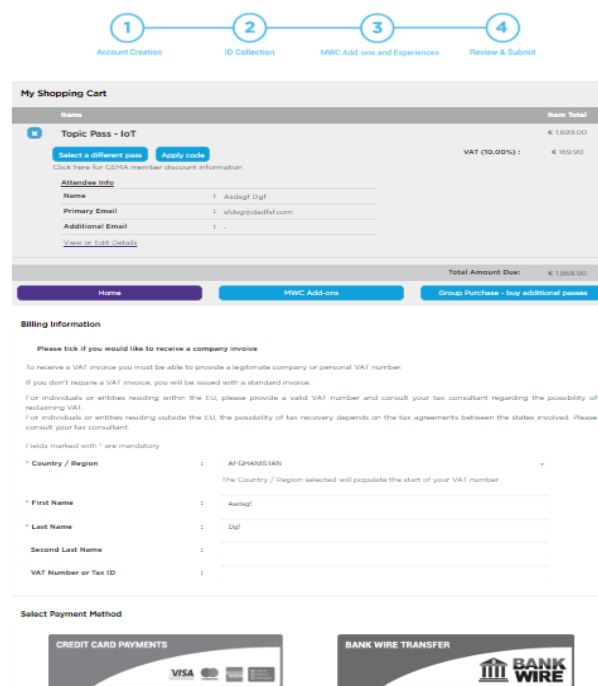

Step 4 gives you a chance to review all of your details and the pass that you are registering for. If any of the details are incorrect, just press the “View or Edit Details” at the bottom of your shopping cart.

You can also select a different pass, apply a code or make a group purchase.

If you are paying for your pass, you can also request a company invoice, make sure you tick the box “**Please tick if you would like to receive a company invoice**” and fill in all mandatory fields.

If you do not request a specific company invoice, fill in the “**Billing Information**” fields and we will generate a basic invoice that you can retrieve from your account at any point if you need proof of purchase.

Once you have pressed confirm and completed your registration, you will receive an email from us with confirmation that you are registered to attend MWC20.

My Registration Account

From your Registration Account you will be able to review all your information as well perform a variety of actions such as:

- BREEZ Enrolment
- Purchase Tours and Experiences
- Group Purchase
- Download Invoices and Receipts
- Apply for a Visa Invitation Letter
- Upgrade your Pass
- Update your Personal Information
- Reset Your Password

The screenshot displays the 'My Registration Account' dashboard. At the top, the header 'My Registration Account' is prominent. Below it, the 'My Pass' section shows a placeholder for a badge with the name 'John Sizo'. To the right, 'My Details' lists personal information: Name (John Sizo), Job Title (Manager), Company (Sizo), Telephone (+351 254676583), Email (john.sizo.com), and Pass Type (Gold Pass). A note states: 'Your badge will show your name exactly as it appears in your ID Submission Form. If you wish to add an additional name, this can be requested when you collect your badge.'

The 'Registration Status' section indicates 'Registration Complete' with progress bars for PAYMENT, ID SUBMISSION, NETWORK PHOTO UPLOAD, and BREEZ ENROLMENT. The 'Pass Benefits' section includes a 'Purchase Summary' and a list of benefits for the Gold Pass, such as networking opportunities, seminars, and exclusive access. A 'Less Options' link is provided.

The 'My Account' section contains a grid of action buttons: My Tours, xside by Night, Group Purchase, Invoices / Receipts, Apply for a Visa Invitation Letter, Apply Code, Resend Registration Confirmation, Upgrade My Pass, ID Submission (Completed), Inbox, BREEZ Enrolment, Update My Personal Information, Review My Bookings, Connect LinkedIn Account, Connect Mobile Connect Account, and Reset Your Password.

A footer note states: 'If you make any changes to your registration, please click submit prior to navigating away from the page; otherwise, your data will be lost.'
