

A new hearing aid that reflects consumer needs

NUGUNA Neckband vibrates when a sound with a higher-pitch than the specified settings is detected (such as car horns, fire alarms etc.) and alerts the wearer to the direction from which the sound is coming from. It was designed to improve the lives of people with hearing loss and the elderly

'NUGUNA' Neckband is different!

Discreetly designed as
neckband type earphone

**Comfortable
& Lightweight**

Weighing only 70g NUGUNA fits
comfortably on any neck size

Affordable

Available at a drastically
more affordable price than
traditional hearing-aids

Not prone to Loss

Unlike small and easy
to lose traditional
hearing-aids.
NUGUNA sits
safely around the neck.

NECK BAND

Premium Online Art Fair, ARTDA

ARTDA is an online art fair where collectors and art lovers can buy artworks online. Through this service, buyers can buy or rent a wide range of artworks which galleries in the world sell.

Why Online?

The online art market is growing fast. The size of the global online art market in 2016 was \$3.75 billion, with 8.4% of the world's share. Experts have predicted that the market will reach \$9.14 billion by 2021.

Strengths

The easiest way of buying artworks

You can buy various and valuable artworks which galleries in the world sell. The only thing you have to do is to click.

1 Premium brand

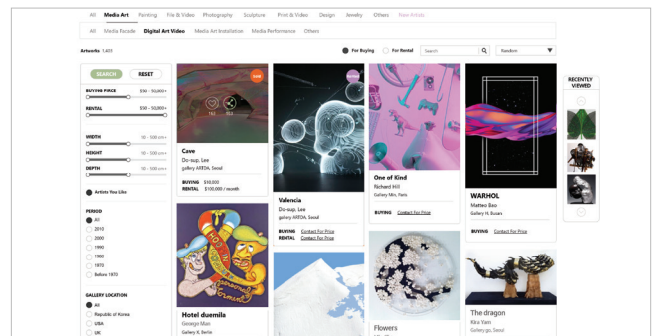

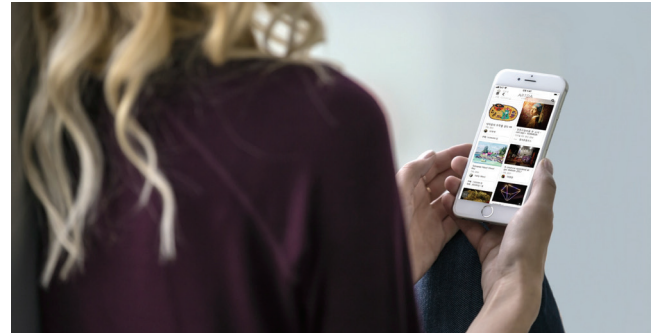

We work with renowned and trustworthy galleries in the world to serve the best artworks.

No commission

We do not get any commission on selling artworks to allow collectors to buy them at reasonable prices

What is ARTDA?

An online art fair connecting galleries and buyers

ARTDA is an online art fair where galleries in the world sell their artworks online. Through this service, collectors can buy whatever they want online at a reasonable price in a safe way anytime. Meanwhile, galleries can save money and time for marketing compared with traditional ways like opening exhibitions, and participating in art fairs.

ARTDA is now available in PC web, iOS app, and Android app.
