ENRICH YOUR LIFE

Digital Photo Frame

SHARE YOUR MOMENTS

frameo

What’s Digital Photo Frame?

Complete license based software solution for WiFi photo frames.

Easy photo & video sharing with family and friends.

A social media for everyone.

Share your moments from around the world with the free Frameo smartphone app.

GET IT ON Google Play

Download on the App Store

The complete Frameo software solution

Frame software

- User friendly software
- Android app configured for the photo frame.
- One time license fee per frame

Free smartphone app

- Send photos & videos directly to multiple Frameo photo frames.
- Available on Android & iOS

The Frameo app

Take a photo or video or select one or more from your album

Choose one or multiple receivers

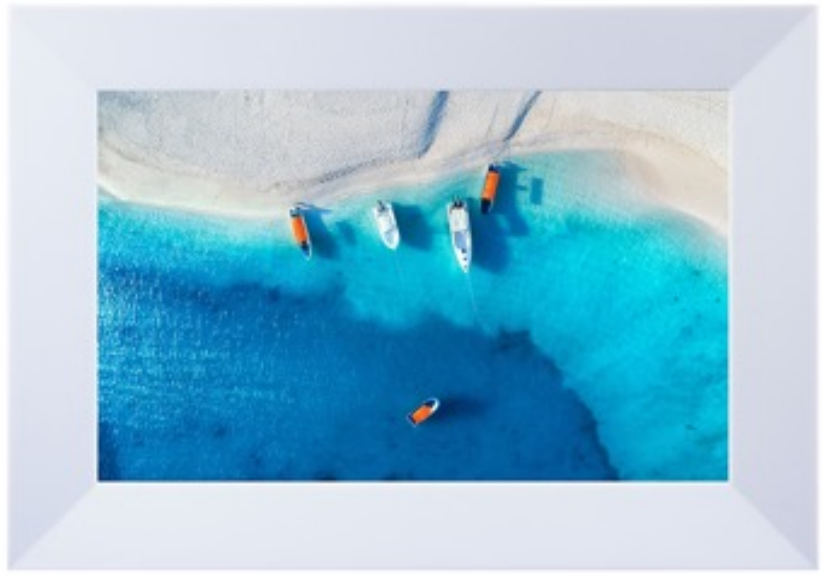

Set the scene with a fitting caption

Feature highlights

Free and user friendly app
Available on Android & iOS

Manage photos & videos
Hide photos so they don’t appear in the slideshow. You can also delete them permanently on the frame.

Sleep mode
Screen turns off in a desired time span. E.g. between 11 PM and 7 AM.

Import photos from SD card
Import photos from your computer or camera to your frame via SD card.

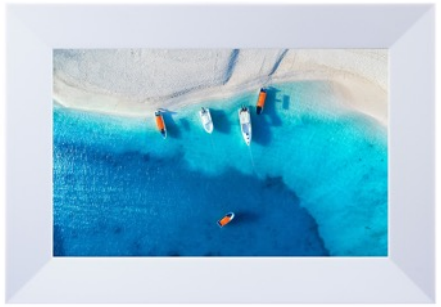

Display & slideshow options
Set how long each photo is shown. Show or hide captions of the received photos.

Backup to SD card
You can easily backup all your photos and contacts on a SD card.

Digital Photo Frame

Share photos from your vacation or everyday experiences
