

FLEXER

SHARE YOUR SPORTING MOMENTS WITH **FLEXER**

WHAT IS FLEXER?

FLEXER is I-ON's Sports Video data platform where you can share and record the best moments of your sports activities.

It also extracts Game and Player data(statistics) from the video so that coaches or scouts can explore potential players based on players' video and data, not their instinct.

BENEFITS

SHARE YOUR MOMENTS

Share your sporting video with your friends and family

CREATE or JOIN SPORTS EVENT ONLINE

Access sports event or challenge easily through the Link

UTILIZE YOUR DATA

Utilize automatically collected sports data for various purposes

FEATURES

VIDEO SHARING

Upload your sporting video on the platform and share it by SNS with your friends and family and get “like” or “comment” on it.

CREATE EVENTS

Create your own sports events or competitions online and share the link that enables players to join the events easily & directly.

JOIN COMPETITION

Join the sports event online and compete with other players. Check out your scores and ranks among competitors

DATA COLLECTION

Your statistics can be extracted automatically from your video. Share your video and data on FLEXER so that scouts can see your potential
