

# Get it now! SOYES APP!

**Enjoy Ballet at home using an APP service!**

Creative development classes for Children.  
Featuring the friendly characters, SOYES app offers your family a filled with lots of learning and fun!

You can do ballet, read stories, and even watch animations with Soyes APP. Learn and have fun watching a variety of characters dance to ballet movements. Tailored towards the development of preschoolers, there are plenty of ballet class videos, Fairy tales, AR games. and activities for your little ones to enjoy and grow with.

## 1. Play and learn

Learn exciting ballet class through story  
Teach ballet moves easily at home, with programs made for children by Soyes' developement department (Story / Home ballet).

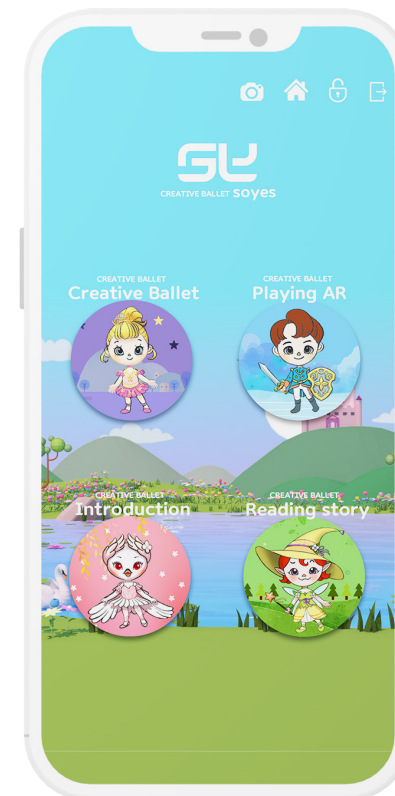

## 2. Read Fairy tales

Masterpiece ballet fairy tales told by a teacher.  
Stories that mother and child can record and listen together including Swan Lake, The Nutcracker, Sleeping Beauty, and others.

## 3. Enjoy 3D animations in augmented reality.

Recognize the character to make it dance to music. AR content increases children's interest in ballet by making it like a game.

## 4. SAFE and AD FREE

SOYES APP gives parents peace of mind with:

- Age appropriate content tailored for preschoolers.
- A safe and secure environment - NO ads!
