

# COMPANY OVERVIEW

WEVERCOMM is one of the global leaders in designing, manufacturing and marketing of RF passive and active components. Providing high quality, reliable products is our primary focus. WEVERCOMM is based in KOREA and we have a unique capability to provide high quality components for Commercial, Military, Satellite, Broadcasting, Aviation System, and Public Safety. While new products are constantly being added to our portfolio, the established products are already widely utilized by major customers in over 100 countries worldwide.

## QUALITY ASSURANCE

WEVERCOMM, ISO-9001 and ISO-14001 approved, is an authorized supplier for major service operators and integrators. We supply high quality products with very competitive prices to our customers.

We value the importance of your business and we will always stand behind our products and customers.

## Your Most Reliable Source for RF Solution.

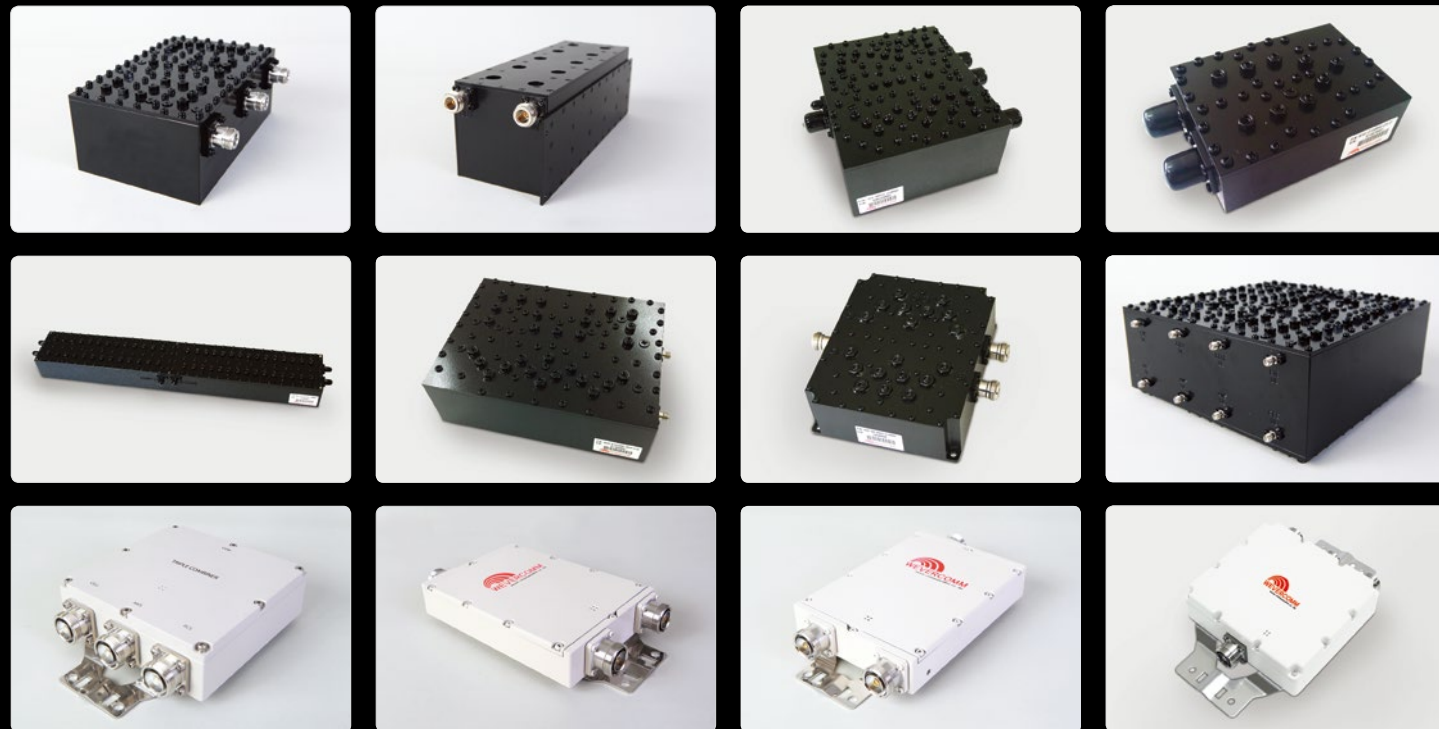

Whenever, Wherever, Whatever you want to know  
WEVERCOMM is the Best RF Solution  
WEVERCOMM products are all customized

## CAVITY ITEMS

Band Pass Filter / Low/High Pass Filter / Diplexer / Triplexer / Dual Band Combiner / Triple Band Combiner  
4 Band Combiner / 5 Band Combiner / 6 Band Combiner / 8 Band Combiner

## DAS ITEMS

Point Of Interconnection / Front End Unit  
Power Distribute Unit

## Tower Mounted Amplifier

Single / Dual TMA

## CERAMIC COMPONENTS

Ceramic Band Pass Filter / Ceramic Diplexer / Ceranmic Triplexer / Ceramic 4B/5B Multiplexer

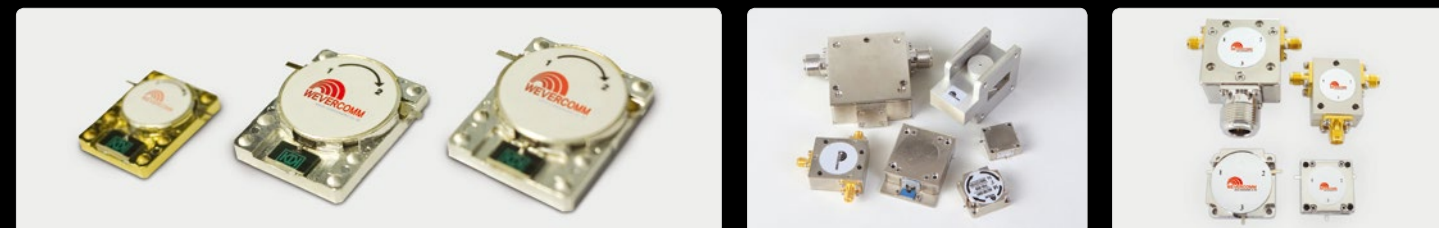

## SPLITTERS & COUPLERS

SMA Dividers / N Splitters / DIN Splitters / Directional Couplers / Hybrid Couplers

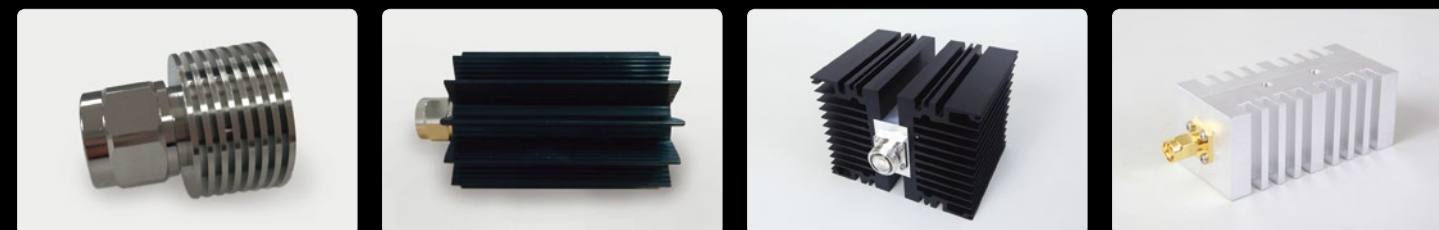

## ISOLATORS & CIRCULATORS

Drop-in Isolators / Waveguide Isolators / Drop-in Circulators / Coaxial Isolators

## TERM. & ATTENUATORS

10W/30W Termination / 50W Termination / 100W PIMD Termination / 300W Termination Isolators  
50W/100W Attenuators

## POWER AMPLIFIER

High Power Amplifier / SSPA / Broadband HPA / Rack type HPA / Low Noise Amplifier
