# **T**P Tech

### **TP** Tech

The biggest, fast growing, experienced Polish manufacturer offering a wide range of smartphones, rugged phones, feature phones, tablets & laptops (including popular brands myPhone and Hammer).

Our devices are available in 27 European countries. We believe that the cutting-edge products should be available to everyone. Thoughtful solutions, functionality and economics together with great design, pure Android and the most up-to-date solutions make our devices being sought by clients.

Proud partner in the Google MADA program and a European Android Award laureate.
