# CHEONGNA INTERNATIONAL CITY

Part. 3

Cheongna International City is full of refreshing scenes that come together to resemble a blue jewel. With Lake Park crossing the city at its center, waterways extend in all directions, effectively spreading different tastes, flavors, and joys. The city itself contains the current trends in culture that bloom happiness in daily life. Now is the time to tour Cheongna, the Venice of Korea.

# Spectacles in Cheongna International City

## Cheongna Lake Park

This waterside park is the perfect symbol of Cheongna, or 'the City of Water.' The city's circulation traffic lines are interconnected, bringing together different tastes from the Eco Zone, Tradition Zone, Leisure Zone, and Art Zone. Enjoy a walk or bicycle ride during daytime or the unique delights of the music fountain at night, which runs on a temporary basis. Diverse performances are also held on the outdoor stage on Flower Music Island.

📍 135 Cheongna Canal-to, Seo-gu, Incheon

## Cheongna Ecological Garden

Cheongna Ecological Garden is the best option for those looking to take in the freshness of nature. Thanks to its relatively well-kept secret, visitors can enjoy a peaceful rest in this spacious area. It also provides refreshing walking trails, ecological ponds, and greenhouses that coexist alongside a modern basketball court and soccer field. Its broad lawn also provides a great picnic spot for families and groups of friends.
