

## • Your Ultimate Personal Assistant

## Specifications

Dimensions	47.7x47.7x13.5mm
Weight	59.4g (with strap)
Body material	Polycarbonate
Strap material	Silicone rubber
Strap length	122mm (long), 78mm (short)
Strap width	22mm
Water-resistance grade	10 ATM
Display	1.3" HD AMOLED Display Resolution 360x360 Always-on Display
Touchscreen	Tempered glass + anti-fingerprint coating
Sensors	BioTracker™ 2 PPG bio-tracking optical sensor 3-axis acceleration sensor 3-axis gyroscope sensor Geomagnetic sensor Ambient light sensor Barometric altimeter

Positioning	GPS+GLONASS, GPS+BeiDou, GPS+Galileo
Bluetooth	Bluetooth 5.0 BLE
Battery	390 mAh lithium-ion polymer battery (typical value)
Charging time	Up to 1.5 hours
Charging method	Magnetic 2-pins Pogo Pin
Battery life	Typical usage: up to 18 days Heavy usage: up to 9 days GPS continuous working time: up to 40 hours
Operating system	RTOS
Supported devices	Android 5.0 or iOS 10.0 and above
Packing list	Smartwatch (including strap) Magnetic charging base User manual Zepp App

### Notes:

1. The relevant data on this topic comes from the following report: H202005252293-01EN-G2. Prolonged exposure is not recommended as it may damage the watch and its components.
2. According to the GB/T 30106-2013 / ISO 22810:2010 standard, the waterproofing reaches 100 meters. The Amazfit T-Rex Pro is tested by the National Clock Quality Supervision and Inspection Center, report number: XRX-ESH-P20062174. A variety of factors can affect the waterproof capability.
3. The battery life may vary according to the settings, operation conditions and other factors. So the actual result may differ from the laboratory data.
4. When you reach an altitude of 3,000+ meters, the watch will prompt you to take the blood-oxygen saturation test when you ascend over 400 meters within 24 hours; when you reach 4,000+ meters, it will prompt you to take the test when you ascend over 400 meters within 6 hours.
5. Heart rate cannot be measured while swimming.
6. Sleep breathing quality monitoring needs to be activated separately from the Zepp App.

### Statements:

The product images and screen content shown above are for reference purpose only. The actual product and screen display content may differ slightly. All data is from laboratory tests only, may differ from actual usage. For more information, please visit: [support.amazfit.com](https://support.amazfit.com)

This product is not a medical device. The measurement data is intended for reference only and cannot be used to perform professional diagnosis or monitoring of any medical conditions. Additionally, data accuracy can vary depending on physical characteristics.

## Explore Your Instinct

Military-grade Toughness | 10 ATM Water-resistant  
Blood-oxygen Saturation Measurement

[www.amazfit.com](https://www.amazfit.com)

## • Passed 15 Military-grade Tests

U.S. Military Standard 810G<sup>1</sup>

**70 °C**

Heat-resistance

**-40 °C**

Cold-resistance

**240 h**

Humidity-resistance

**96 h**

Salt spray resistance

Ice- & freezing rain-resistance

Shock-resistance

## • Toughness from the Inside Out

The Amazfit T-Rex Pro is a titanic combination of practicality, strength and comfort.

- Ultra-clear 1.3-inch HD AMOLED color screen with always-on display

- Comfortable skin-friendly silicone strap with a sweat-wicking design

- Light 60g watch body features richly-textured outer bezel

## • 10 ATM Water-resistance<sup>2</sup>

With a 10 ATM grade, you can surf, swim, or explore the mysterious underwater world together.

## • Up to 18-days' Ultra-long Battery Life<sup>3</sup>

**18 Days**

Typical use

**9 Days**

Heavy use

## • 4 Global Navigation Satellite Systems

Wherever you go, see where you are with rapid and accurate GPS, GLONASS, Galileo and BeiDou positioning systems.

## • Ascend Safely with Blood-oxygen Saturation Measurement<sup>4</sup>

In high-altitude areas, every meter you travel upward comes with greater challenges. The Amazfit T-Rex Pro will alert you to major altitude changes, and prompt you to test your blood-oxygen saturation level.

## • Track Your Every Move with 100+ Sports Modes

Also supported is smart recognition of eight sports modes.

Outdoor Running

Indoor Walking

Walking

Treadmill

Outdoor Cycling

Rowing Machine

Elliptical

Pool Swimming

## • Track Health, Keep Fit

Keep your progress ticking with 24-hour Heart Rate Monitoring<sup>5</sup>

Get personalized evaluations with the PAI Health Assessment System

Understand your rest with Sleep Quality Monitoring<sup>6</sup>
