

The chatbot platform built for the business professional.

**Multiple channels, one chatbot.**  
**Robust engagement, solid leads.**

With **elfoBOT**, you're getting more than just a chance to talk to your customers. Wherever they are, **elfoBOT** is there to solve their queries and get them one step closer to the end of the purchase journey. So, sit back and let us do the hard work for you.

We are supported across **14 messaging platforms and social media channels**. Rest assured, wherever your customers are, we will be too.

We're also built for **heavy enterprise use**. Through bot analytics tools, we'll get you an auditable, secure and accurate analysis for performance report generation - all hassle-free! What's more, we :

- Measure the success** of your omnichannel marketing campaign
- Understand consumer behavior**, preference, and purchase process
- Identify customer pain points** and frequently asked questions
