IT Solution FOR STARTUPS

Fusing business and technology to innovate your idea

Check our performance for last 2 years.

Sports game prediction app, **Pickle Play**

Pickle Play was planned and developed as it leads healthy sports culture and increases fun and immersion on sports game itself. It is a high-degree of rewarding app project that users can predict at most 5 game results per day among basketball, volleyball, soccer, and baseball, and receive prize if they got correct result.

PICYLE

Build your own travel notes, **DDPhoto**

Didian Photo is a special application designed to record your precious memories on a mobile map. If you select photos taken from memorable spots, you can see a travel map automatically created based on the location data without any needs of uploading. Users can input information such as time, location, index on the travel path, build their own travel map using edition tools, and share it as image file.t
