## GP Oxygen
# Mi-Fi – G5

When you need mobile broadband on-the-go, there's no better candidate than the GP Mi-Fi G5, our new portable wireless router for everywhere 5G connectivity. Its small form factor is perfect for road warriors, frequent fliers, and travellers looking to stay connected wherever they go. Thanks to its large battery capacity, users can enjoy longer 5G connectivity for hours on end without having to worry about dropped signals. The G5 is also ideal for mobile operators looking to make the best use of their limited spectrum resources.
