

Company Profile

Top Connect is one of the world's leading alternative roaming service providers.

Our products include affordable global mobile connections and management solutions for B2C, B2B and IoT connectivity.

Top Connect is a fully licensed MVNO and we provide Sponsored Roaming and e-Profile solutions for various service providers.

You can take advantage of our 350+ roaming partners in over 210 global destinations. We constantly improve our roaming footprint, focusing on affordable data. Our International Mobile Roaming SIM, TravelSim, launched in 2005 has been a breakthrough product, with over 5 million end-users and sold in more than 60 countries worldwide.
