ABOUT US

It is said that youth is not a time of life - it is a state of mind. Founded in early 2018, AQFiT is a technology start-up that specializes in the designing and development of state-of-the-art gadgets and electronic devices.

With its cutting-edge Smart Bluetooth Sports Watches, which are delivered across the globe, it caters to those exuberant and high-spirited folks who wish to remain young within their minds. Folks who seek to take on challenges in their lives and love getting wet with sweat.

Exquisitely nestled in Noida is the lavish production line of AQFiT that crafts the finest masterpieces in the form of superb gadgets. This state-of-the-art production line epitomizes the impeccable standards of perfection with top-notch machinery.

The business philosophy of AQFiT is to create smart devices that bring a healthier lifestyle to users worldwide. As we say, it's your effort towards the fitness goal, we are just your genuine partner.
